

LOOK AT CHILD'S TONGUE IF SICK CROSS, FEVERISH

WHEN CONSTIPATED OR BILIOUS
GIVE "CALIFORNIA SYRUP
OF FIGS."

Look at the tongue mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once. When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of his little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative," they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs" which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

ALBERT ALONZO OWENS GIVEN PRISON SENTENCE.

Ten Years for Foster Man Who Shot Mrs. Frank Blanchette Oct. 6th.

In the superior court at Providence Judge Stearns sentenced Albert Alonzo Owens to serve ten years in the state prison at Cranston after a jury had found the prisoner guilty of second degree murder.

Owens' sentence is the result of the murder of Mrs. Bessie E. Blanchette, wife of Frank Blanchette, near the old gold mine in Foster, a short distance from the Killingly line, on the night of Oct. 6 last.

The shooting followed a drunken quarrel in which Owens and Blanchette had participated at the end of the day during which the woman who met such a horrible death, her husband and Owens had engaged in carousing and drinking.

In charging the jury, Judge Stearns pointed out that the fact that Owens was drunk when he fired the fatal shot in no way operated to excuse him from responsibility for the crime, and his action was to be considered on the same basis as would similar action by a sober man. The jury was out but a short time before returning with verdict of guilty, Owens waiving right to a new trial and the court imposing sentence at once.

Owens will be 62 years of age on June 2. He is well known in Killingly, where he lived for years, as did his brother, on, who was with him on the night of the murder.

The case was conducted for the state by Abbott Phillips, assistant district attorney, a graduate of Killingly High school, Brown and Harvard universities, and very well known in Danielson, where his youthful years were spent.
